

GLAM PARTY FAQs

What is a glam party? A fun girls night where you all get hair and makeup done. What you do after that is up to you but we recommend upgrade to a photo shoot

How do I reserve my date? It's simple, complete a contract and submit a \$100 deposit. The deposit is not per person but for the entire party. The deposit is applied to the final invoice.

Is there a minimum requirement? On the weekends there is a \$300 on location minimum. The minimum can be easily met with just two people☺ Monday – Thursday we can adjust the minimum, but travel fees will apply. Our flexibility on the minimum will always depend on our availability. Please feel free to ask if we can accommodate you.

Can we come to your location? Of course, our salon is set up for these glam parties. There is no extra charge to use our location and we quite enjoy the excitement given off on the day.

Can you come to my location? Yes we can but travel fees would apply if outside of our general travel area

Are there any travel fees? Tampa, St. Petersburg and Clearwater are in our general area so travel fees do not apply as long as you meet the minimum. Beyond our local area travel fees may apply, but they are minimal charges only to cover the cost of fuel. Provide an address of your ready location and we can give you a price before you book.

Will you come to my home or only hotels and venues? Yes, we can get you ready in any location of your choice. If you do book a hotel room we recommend that you consider the party size when choosing a room. The standard room size may not be large enough. If you have more than 5 ladies in your party getting ready.

Is there any discount offered to larger parties? We only have two rates, our regular contract rates, and a group rate that applies to any party of 5, getting both hair and makeup, or a total of 10 services. If you meet a minimum of 10 services please inquire about special pricing.

When is the final balance due? Two weeks in advance.

What is the difference between traditional and airbrush makeup? Both traditional cream and airbrush foundation are flawless, however airbrush lasts longer because it is sweat resistant. Airbrush lasts 10-12 hours and is the perfect choice for a long “dance till you drop” night in Florida.

What level is my stylist? There is only one level at Destiny and Light....Every stylist working with the bride is a Master stylist. We believe in sending only the best for all of our clients.

Are faux lashes included? We do have natural faux lashes that are included in every bridal makeup package. In the case that you want a more dramatic look, you can upgrade to some "diva" mink wink fur lashes !!!!

How much is the photographer? You can upgrade to a photo shoot starting at \$200.00. We work with several different photographers and their session fees are typically \$200- \$300. So the pricing would depend on who is available the date that you are requesting. But we will always try to book the most reasonable price for you.

How many photos do I get in the package? You will receive a total of 15 images in the package, but you can purchase any additional photo that you like from the gallery.

Can we bring champagne or food to the party? Sure, we would love to set up complimentary table and linens on our water side deck just for you!
